

**Voice Logging Committee  
Meeting Minutes  
November 17, 2016 @ 1:00 pm  
Rochester Public Utilities  
Rochester, MN**

Meeting called to order by Chair Rodney Bartsh at 1305 hours

In attendance:

Dave Pike – Mower County  
Jennifer Hauer-Schmitz – Rice County  
Rodney Bartsh – Wabasha County  
Tim Heroff – City of Rochester PD  
Jill Bondhus – Rice/Steele 911  
Mike Peterson – Winona County  
Kurt Freitag – Freeborn County

Scott McNurlin – Goodhue County  
Blain Hentz – Wabasha County  
Cheyene Lundak – FCSO911  
Scott Wosje – Northland Business Systems  
Rick Freshwater – Olmsted County SO  
Rick Eggert – Mower County

**1. Redundancy for SE Regional Voice Logger:**

Scott from Northland Business Systems said he'd let the group know a timeline in the next few days. The group needs to decide what talk groups to be recorded and where they are to be recorded. Dave Thomson will work with Scott and Jill to help move this along. Sheriff Bartsh will have a conversation with Keith in St. Peter to get the ball rolling there.

**2. Rice/Steele:**

Discussion on Rice/Steele having one vote on the VoiceLogging Committee. The decision was made to allow for one vote as they are one paying entity.

Jill Bondhus discussed that the JPA/MOU does not allow for any nonparty to the ARMOR system to join the Regional Logger – the Rice/Steele 911 center is a nonparty of the ARMOR system.

Jennifer Hauer-Schmitz from Rice County mentioned Rice County isn't listed in the JPA, which could become an issue.

**3. Other Business:**

Note: There is a need for a new attorney as Meredith is no longer working in this capacity. This will be taken to the RAC and moved to the ECB.

Dave Thomson has been hired back by the City of Rochester as the Systems and Communication's Administrator.

**Adjournment at 1323 hours.**

Minutes respectfully submitted by Michelle Ridd
