Scott Wobje - Northland  
John Dooley- DPS/HSEM  
Mike Burtum – Dodge  
Jennifer-Hauer-Schmitz  
Neal Catlisch - Ancom  
Matt Maas – Dodge County

**1. License Shortage:**

Dave Thomson explained that there is a single license available right now; there is a shortage of licenses. Licenses were originally purchased just for counties that were logging at the time due to the cost of each at \$900 per license. There currently are 141 licenses on the machine and logging 140 talk groups. There is still room to grow on the machines so licenses can be added. An additional 99 license can be added bringing the total to 240. Licenses are \$300 a piece. It would take 19 additional licenses to allow Freeborn County to come on board. Dave Thomson will provide an invoice to Judy Indrelie with numbers for the additional 19 licenses.

**Motion by Sheriff T. Kaase, Second Sheriff K. Torgerson** to approve to purchase an additional 19 licenses to include Freeborn County onto the system. **Motion Carried.**

- 2.** Please get your transfer of ownership paperwork to Judy Indrelie ASAP so she can get insurance in place. Freeborn, Mower, Wabasha and Goodhue have turned in their paperwork, all others are needed.

**Adjournment by Sheriff Bartsh at 1315 hours.**

Minutes respectfully submitted by Michelle Ridd
