Judy, here is my county expense report for the trip - Kristine has the receipts. I think my meal purchases are under the allowed amount.

Not sure if the grant will cover fuel.

This is correct. The grant ends on December 15<sup>th</sup>. The 3ECHO training will be complete after October 18<sup>th</sup> and I expect to have an invoice shortly after that. Then I will know what we have left for your reimbursement.

I will put your request on the RRB agenda for October for approval with the stipulations that there is funding available. Please let me know the dollar amounts for you and Mike.

Thanks,

*Judy*

Kristine, The regional RAC approved this request for training reimbursement for me and Mike from Winona County. But I believe it still has to be voted on by RRB, and may also depend on how much grant money is left after 3 ECHO training. I have CC'd Judy.

Did you ever find out from Judy if a grant will pay for this?

Hello Judy, I will be training others. There would be no benefit to SE region unless there is a student in the class from our region. And I am not sure if that is the case, I have not scene the roster yet.

The group is training COML students in a mock disaster. The simulated event will challenge the students and provide the needed incident to complete their task book, for region/state certification.

Hi Nate-

I am wondering if you can explain more of what this group is and what they are doing? I am not clear if you are going for training or if you are training others on behalf of someone or what is happening. We so have the 2013 SHSP grant available with some training funds.

Can you clarify more on how this benefits our region?

Thanks,

*Judy*

This message was sent securely using ZixCorp.

Hello Judy,

Per below I am participating as a trainer in a communication exercise in September to certify COMLs in training. This is at Camp Ripley.

The State can't pay for hotel or meals (originally they were going to house us on base but that plan fell apart).

Hotel will be two nights at \$83 and two evening meals, the rest will be provided.

Is there any grant money that could cover this? If so would it need board approval? If so there won't be time before the event.

**Subject:** COMMEX Lodging, Meals, and Mileage

Hello all!

Yesterday, I was able to talk with Jackie Mines regarding funding for the COMMEX specifically in regards to lodging, meals, and mileage. Because ECN delegated money to each region through SHSP funds they are not going to be able to fund this. ECN will be able to fund lunch on Wednesday and Thursday as well as a snack in the afternoon. With that being said, everyone needs to contact their region or county to request funding to participate in the exercise.

Also, unfortunately Camp Ripley has no available housing over that week. Therefore, everyone will have to be on their own to arrange lodging. I know there is an AmericInn, Country Inn, and Super 8 all very close to Highway 10 in Little Falls.

Please let me know if you have any questions and have a great weekend. Thank you!

Kristen Beste | Planner | Stearns County Emergency Management | 320-259-3941
